Bob,

Since the board reduced the overall job, for this time it was more economical to use Trimming Land Tree Company. However, their prices were very comparable and I would call upon them again when I'm ready to tree trim again.

Here's a general diagram map. I still have to add some things today but it will show you the street closures. We plan on leaving Centre St. open for this event.

Finally, I did make contact with Alma and have coordinated with her.

Best regards,

Hi Lorena

Just wanted to follow up on a couple of things and see if you were able to work out something with West Coast Arborist for palm tree trimming along Harbor Blvd. Have you touched base with Alma Gonzalez (Standard Parking) regarding Fleet Week and lastly do you have a schedule of events or site map that would show where all of the street closures are, music stages and misc. other events for Fleet Week will be?

Thanks
